BELLEVUE UNIVERSITY

March 27, 2012

To Whom It May Concern:

This letter addresses the request to demonstrate Bellevue University's commitment to the delivery of programs located in Iowa as outlined in the recertification application.

Bellevue University has been providing educational offerings in Iowa for many years. As such, the University is committed to delivering degree programs in Sioux City and Council Bluffs, Iowa. In the event that Bellevue University ceases to operate at either location, we will ensure that students have the opportunity to complete their degree program by either teaching out any cohort programs that are currently in progress or offer these classes online. We also agree to provide alternatives for students to complete programs at other institutions should the program close prior to the students completing their courses of study.

Sincere
