Dear Ms. Small:

Thank you for your advice on Bellevue University's renewal application. I appreciate your support and assistance.

On behalf of Bellevue University, attached is our application to renew our Certificate of Authority along with attachments that are tabbed. Also enclosed is a thumb drive containing the electronic version of our application. We thought a thumb drive would be more convenient for you than a .pdf file.

With this application, you will see we are not renewing our site in Red Oak, Iowa. Dr. Greiner allowed us one more renewal before making a final decision on this site. We found that there was little interest in taking classes at this site.

With our new Catalog, we are removing the Human and Social Services Administration and the Strength-Based Management majors so we are also removing these majors from the Sioux City, location. If we need to request this another way, please send us that information.

We are in the middle of a new 2012-13 Catalog, which will take effect July 1, 2012. With our new Catalog, you will see four of our majors offered in Iowa have been renamed. When we receive our new Catalog, we will forward a copy to you. Our new Catalog does not have course/program descriptions as we move to an electronic version of our Catalog. However we are enclosing the major listings with all of our course descriptions.

The application requested evidence of qualified faculty in residence and in distance learning delivery. Because we cannot identify who will be teaching in either format, we have enclosed an Appendix of full-time faculty, full-time instructors, and adjunct resumes who may be teaching Iowa students. We require a minimum of a master's degree for faculty to teach for our University.

As you can well understand, we do have some concerns about our renewal application and letter from the Chief Executive Officer being placed on your website with the signature of our president. Is it possible to black out her signature? Also, we were unsure if our financial report would be placed online. As you will see, we are a financially sound institution. We have privacy concerns with posting our full financial report.

Our website address is: www.bellevue.edu.

Per your request, we have provided a list of all of the programs we have been approved to offer in residence in Iowa. Also, a list of all of our majors that would be offered by distance learning along with the course and program descriptions are included in the Appendix.

The additional information you requested and the course/program descriptions from our new Catalog are in the Appendices. This information has not been provided on the thumb drive due to the sheer volume. The thumb drive contains the Application for Approval and Registration and all of the attachments to this application, except the Catalog.

We look forward to continuing to offer quality programs to Iowa students. If you have any questions, please contact me at 402.557.7184.

Sincerely,

D[illegible], J.D.
