261B Approval Criteria

Question 13. Provide a statement, signed by the chief executive officer of the applicant school, demonstrating the institution's commitment to the delivery of programs located in Iowa, and agreeing to provide alternatives for students to complete their programs at the same or other institutions if the applicant school closes the program before students have completed their courses of study.

Answer: Every cohort in every location has completed the courses of study. We do not stop a cohort from program completion. This has been the case for 14 years.
