2011-12 Iowa Financial Aid Application Now Available *Easy Online Process Streamlines Application for Iowa-Funded Financial Aid Programs*

Des Moines, IA, January 4, 2011 – The Iowa College Student Aid Commission (Iowa College Aid) announced today the release of the 2011-2012 Iowa Financial Aid Application. The application, which can be accessed through the statewide community web portal, www.IHaveaPlanIowa.gov, allows students to apply for six state-administered financial aid programs through one application process. Collectively, these programs provided over \$7 million in funding for students during the 2009-10 academic year.

“We know that, previously, the application process has been a barrier for some students when applying for financial aid. We are committed to continually making the application process better,” said Karen Misjak, executive director of the Iowa College Student Aid Commission. “The Iowa Financial Aid Application establishes a centralized location for students to apply for multiple programs, and uses an eligibility screening process to ensure students apply for every state aid program they’re eligible to receive,” Misjak explained. “The intuitive nature of the online application helps determine a student’s eligibility for many of the state aid programs and provides students with the flexibility to save, view, and submit an application at any time.”

The Iowa Financial Aid Application replaces the separate applications for the following programs:

- Robert C. Byrd Honors Scholarship
- All Iowa Opportunity Scholarship
- All Iowa Opportunity Foster Care Grant
- Terry E. Branstad Iowa State Fair Scholarship
- Education and Training Voucher Program, and
- Iowa National Guard Education Assistance Program (NGEAP)

-more-

The Iowa Financial Aid Application does not replace the Free Application for Federal Student Aid (FAFSA). The FAFSA is a standardized federal form used to determine eligibility for federal, state, and in some cases, institutional financial aid. It is still the required application for need-based state programs such as the Iowa Grant, Iowa Tuition Grant, Iowa Vocational-Technical Tuition Grant, and the Barber and Cosmetology Arts and Sciences Tuition Grant. The FAFSA can be completed online at www.fafsa.gov.

Deadlines play a critical role and often determine the amount of financial assistance available to help students pay for college. Students are encouraged to apply early to meet the priority deadlines associated with different programs. The Iowa Financial Aid Application indicates the priority application deadlines for each of the six programs included in the application.
