Dear Ms Watts:

I would like to thank you for taking the time to speak with me over the last few months. Enclosed please find an Application for Registration of Postsecondary (261B) School, for an ITT Technical Institute to be located at 1830 NW 118<sup>th</sup> St, Clive, IA 50325. I have also forwarded a copy of this application to Dr. Keith Greiner of the Iowa College Student Aid Commission.

Please note that our Real Estate Department is in the final stages of the negotiations on the lease agreement and we expect to provide a signed lease along with the required inspections and permits within thirty days following this submission. These documents will be forwarded directly to Dr. Greiner and to your attention when received. I would like to formally request that your department please start the review of this application with the consideration that the signed lease will be forthcoming.

In addition, I have listed our Midwest District Manager as a contact on the application until a school Director is hired for the Clive location. You may also feel free to contact me directly for any questions or concerns.

Thank you in advance for your time and consideration of this application submission.

Sincerely
