

Iowa Financial Literacy Program

System Requirements

RAM	512MB+
Browsers	Microsoft Internet Explorer 7.0+, Firefox 3.5+, Safari 4+ Cookies, JavaScript, Images and Flash enabled
Flash Player	Adobe Flash Player 10.0 or newer Available as a free download on Adobe.com
Screen Resolution	Minimum 800 x 600 resolution required; 1024 x 768 or higher is preferred.
Color Depth	High Color, 16 Bit
Audio/Video	Sound card with speakers or headphones
Bandwidth	<p>Broadband connection (e.g. DSL, cable modem, FIOS, or corporate network) with 256kbps bandwidth or better is required. Dial-up connections will seriously impede full functionality and viewing of multimedia content in the Iowa Financial Literacy Program.</p> <p>NOTE: You can test your downstream bandwidth on many free sites. Search for "bandwidth test" on your favorite search engine to find the most popular bandwidth test websites.</p>
