Dear Guidance Counselor:

In 1947, Jackie Robinson made baseball history by leading the National League in stolen bases and being named the National League's Rookie of the Year. That same year Robinson also impacted American history by becoming the first African-American to play Major League Baseball.

At the Omaha Storm Chasers, we recognize the important impact that Jackie Robinson had on America and the legacy he left for all Americans. Therefore, we are pleased to award the *Home Run Foundation of Greater Omaha-Robinson Athletic Scholarship* as a way to recognize a local high school athlete for their hard work, character, and motivation to make a positive impact on our local community and society as a whole. This scholarship will be awarded to an African-American male or female who participates in high school athletics. There are several attributes the recipient must demonstrate to be considered for this award. Athletic achievement, scholarship in the classroom, community involvement, integrity, and motivation are several examples.

You will find an informational sheet attached to this letter regarding the details of the scholarship and how to apply. Feel free to distribute to those students matching the criteria and who may wish to apply. I am aware that you may not have contact with all of your upcoming senior players for this season; however our wish is to involve as many students as possible. By making them aware of this opportunity now, we hope to give every eligible player the opportunity to apply for this scholarship. All students that are nominated will be honored by the Omaha Storm Chasers during a home game in the 2011 season.

If you have any questions regarding this scholarship please contact me at by email at andreas@omahastormchasers.com, or feel free to call me at 402.738.5115. Thank you so much for your time and assistance.

Sincerely,

Andrea Stava
