Statement of Financial Responsibility and Exemption Request Iowa Code Chapter 714

This document includes the form for all schools that are required to file a Statement of Financial Responsibility under Iowa Code Chapter 714, Sections 714.17 through 714.25 and the form for requesting an exemption from filing of a Statement of Responsibility.

Complete either the Statement of Financial Responsibility or the Request for Exemption. Do not complete both forms. COMPLETED FORMS AND ANY APPLICABLE ATTACHMENTS MAY BE SUBMITTED EITHER IN PAPER OR ELECTRONIC FORMAT.

All items must be completed before the application will be considered as received by the Commission. Attach additional pages as needed to provide the requested information. Other documents or materials may also be attached to support the application.

GENERAL INFORMATION

Q. Who must file a Statement of Financial Responsibility?

A. Unless an exemption applies, the filing must be made by every person, firm, association, or corporation (collectively referred to in the forms as a "school") that maintains or conducts in Iowa any course of instruction for profit or for tuition charge, whether by classroom instruction or by correspondence, or that solicits in Iowa the sale of such course.

Q. What is contained in the Statement of Financial Responsibility?

A. The Statement contains general identifying information, a Designation of Resident Agent, a requirement for disclosure of certain course and tuition information, and provision of financial security.

Q. When must this Statement be filed?

A. The filing must occur prior to the school commencing instruction which would bring the school under the registration requirement. Regular renewal is not required, but a school's financial security must be kept current, and a school which uses material not on file may be subject to civil or criminal liability.

Q. Must the school also register as a Postsecondary School under Iowa Code Chapter 261B?

A. The provisions of Iowa Code 261B primarily apply to postsecondary schools which issue degrees, and require registration detailing the ownership of the school and the courses of instruction offered. There is no automatic exemption between chapters 261B and 714. The school must review the provisions of 261B to determine how the law applies to the school's situation.

Instructions for Worksheet for Calculating Bond/Letter of Credit Amount for Barber/Cosmetology Instructional (714) Schools

This worksheet is to be *attached* as an Addendum to the Statement of Financial Responsibility (Form IS-1) filed by a licensed barber or cosmetology school.

Only a licensed barber or cosmetology school is eligible to use the worksheet to calculate the amount of financial security to be provided.

Iowa Code §714.18(4) gives licensed barber or cosmetology schools options with regard to the amount of financial security to be filed:

Amount Option A is the standard \$50,000 amount of financial security. Barber and cosmetology schools may file this in the form of a bond (see instructions for sample bond) or in the form of a bank letter of credit.

Amount Option B allows the school to reduce the amount of the bond or the letter of credit to be filed in Iowa by the amount of a federally required and filed bond. Attach a copy of the federal bond.

Amount Option C allows the school to base the amount of the bond or the letter of credit on 10% of the annual tuition collected. Complete the Confidential Statement of Tuition Collected, below.

Amount Option D allows the school to first calculate 10% of the annual tuition collected, and then reduce the amount of the bond or the letter of credit to be filed in Iowa by the amount of a federally required and filed bond. Attach a copy of the federal bond and complete the Confidential Statement of Tuition Collected, below.

The resulting amount from the chosen option should be transferred to the space provided in Item 7 of the Statement (Form IS-1).
