RE: Required Statment

Dear Administrator:

Waldorf College has been in existence since 1903 and the plan is to keep it as a campus location and deliver programs in Iowa after the change of control to Mayes Education.

At this time there is an agreement for Waldorf students to complete their programs at Grandview University should Waldorf close before students have completed their studies.

Please let me know if any additional information is needed.

Best wishes,

Dr. Joe Manjone
